Publications - PROGEST Research Group 2007

Books

Cavalieri, S. Pinto R.,
Orientare al successo la Supply Chain
ISED!, Torino

Riprogettare il servizio post-vendita
Hoepli, Milano

Papers published in international scientific journals

Cavalieri S., Gaiardelli P., Ierace S.
Aligning strategic profiles with operational metrics in after sales service
Special Issue of Performance Measurement and Management Systems: Public and Private,

Gaiardelli P., Saccani N., Songini L.
Performance measurement of the After-Sales Service network. Evidences from the
automotive industry

Gaiardelli P., Saccani N., Songini L.
Performance measurement systems in the after-sales service: an integrated framework

Ierace S., Pinto R.
Application of Neural Network to Condition Based Maintenance: a case study in the study in
the textile industry
Reliability Engineering & System Safety (in fase di valutazione).

Papers published in Proceedings of International Conferences

Cavalieri S., Legnani E., Pinto R.
Supply chain simulation-based optimisation: the "Direct” approach
In: Proc. of 9th International Conference MITIP, Florence, September 6-7, 2007

Gaiardelli, P., Cavalieri, S. Saccani, N.
Exploring the relationship between After Sales Service Strategies and Design For X Methodologies
In: Proc. of the 4th International Conference on PLM, pp. 536-545, Stezzano (BG), July 11-13, 2007

Ierace S., Pinto R., Cavalieri S.
Application of Neural Networks to condition based maintenance: a case study in the textile
industry
Ierace S., Carminati V.
Application of thermography to Condition Based Maintenance: a case study in a manufacturing company

Legnani E., Ierace S., Cavalieri S.
Towards a reference model for After-Sales service processes

Pezzotta G., Legnani E., Cavalieri S., Gaiardelli P.
Assessing logistics practices of SMEs in the automotive sector: a survey in three European regions

Pirola F., Tassi M., Turano A., Perona M., Cavalieri S., Terzi S.
The check-up methodology of Information Systems in manufacturing SMEs

Saccani N., Songini L., Gaiardelli P.
A Supply-Chain Oriented Performance Measurement System for the After Sales Process and Network

Papers published in national journals

Ierace S.
Vincere la sfida per la competitività attraverso l’eccellenza operativa
Manutenzione, Tecnica e Management, Gennaio 2007

Ierace S.
Manutenzione e Gestione del Ciclo di Vita del Prodotto: strategie, leve organizzative e sistemi
Manutenzione, Tecnica e Management (in pubblicazione)

Ierace S., Carminati V.
La gestione dei ricambi di manutenzione: il caso di un’azienda manifatturiera
Logistica & Management (in pubblicazione)

Pezzotta G., Gaiardelli P., Legnani E.
Intervista a Volvo Truck
Logistica Management, n° 173, Gennaio-Febbraio 2007

Pezzotta G., Gaiardelli P.
Costi di carrozzeria: l’Università indaga
Bell’Auto, n° 2, Marzo 2007, ed. Koster. pp. 30-32

Pirola F.
PMI, un check-up per conoscere il proprio sistema informativo
ComputerWorld Italia, 8 ottobre 2007
