## RESEARCH DAY

### “DOING RESEARCH: METHODOLOGY & METHODS”

Wednesday 8th June 2011

Hosted by the Business Administration Department of the University  
of Bergamo (BG)

*Via dei Caniana 2 (Bergamo)*

The workshop is an informal gathering of researchers who are concerned with contemporary issues related to research methodology. Attendees include academics, researchers and doctoral students at all levels of experience who wish to discuss methodological issues and their research projects. The workshop is comprised of two sections: a) the first where delegates can present and debate their research projects in a friendly and supportive atmosphere; b) in the second, a lecture on the use of research methods will be delivered. Participation is free.
