

UNIVERSITÀ DEGLI STUDI DI BERGAMO

DIPARTIMENTO DI MATEMATICA STATISTICA
INFORMATICA E APPLICAZIONI

Announcement

Conferences of

Professor Igor Konnov

Kazan State University, Department of Applied
Mathematics

Russia

Department of Mathematics, Statistics, Informatics and Applications of Bergamo University organises the following lectures of Professor I.Konnov:

13th of March, 2000

2.30 p.m.

"Combined relaxation methods for single valued variational inequalities"

15th of March, 2000

3.00 p.m.

"Combined relaxation methods for multi-valued variational inequalities"

17th of March, 2000

2.30 p.m.

"Gap functions for mixed variational inequalities"

The lectures will be hold at the following address: Lecture Room 3, Piazza Rosate, 2 - Bergamo
