

The main directions from Bergamo train station to selected B&B and accommodations agreed for the lecturers and accommodation sponsorships. Please identify the one relevant for you. Also consider that before taking any bus you must buy a bus ticket (1 euro). You can do it at the newspaper on the left just before the station exit.

The school does take place at the University of Bergamo, Via dei Caniana, 2). The University is not too far from the Station (15 minutes walking). From the Station turn left and just go straight on until you see University's building in front of you.

If you want to take a bus, walk out the train Station and walk straight ahead 300 meters (on the left sidewalk), until you arrive to a big crossroad. Cross the road in front of you and look for the n. 5 bus stop (direction Lallio), which you should find 20 meters on your left. Take the bus and ask the driver to let you at the University (after 5 bus stops).

Here is a map we suggest you to look.
