

## stochastic programming: theory and applications

This document provides indications on the possible ways to reach Bergamo central station from any one of the three main airports in the Milano area. Consider in particular that:

- Malpensa is located in the far West area of Milan
- Linate is very close to the City
- Orio Al Serio is actually on the far East of Milan and very close to Bergamo

### MILAN MALPENSA AIRPORT-BERGAMO

A) At the arrival

The fastest way to reach Bergamo from Malpensa is:

Taking a train (Malpensa-express) from the Airport to Cadorna Railway Station (Milan), then by suburban train from Cadorna Railway Station to Central Railway Station (Milan), then by train from Milan's Central Railway Station to Bergamo Railway Station.

*Please check the train timetables:*
